Re: Rate Center Consolidation for Verizon California Inc.
(Docket No. T-00000A-01-0076)
Decision No. 63982 (August 30, 2001)

Dear Pat:

I have been asked by my client, Verizon California Inc., to respond to your letter dated October 2, 2002, regarding the status of Verizon California's efforts to consolidate rate centers in accordance with Commission Decision No. 63982 (August 30, 2001). In accordance with the criteria established in Decision No. 63982, Verizon California identified two Arizona exchanges that were eligible for rate center consolidation—the Poston Exchange and the Parker Dam Exchange. Verizon has consolidated these two rate centers, with the Parker Dam rate center being the surviving rate center since it has considerably more lines. The rate center consolidation was completed on July 1, 2002.

Please do not hesitate to call Brenda Birdwell at 805-372-7049, or me if you have any questions or wish additional information regarding the rate center consolidation.

Very truly yours,

SNELL & WILMER
